

Coronavirus (Covid-19) Practitioner / Client Questionnaire

In light of the Coronavirus pandemic Sam Scott has implemented a short questionnaire for all visitors to ensure the Health and Safety of clients and practitioners.

Before visiting, you are required to confirm the following:

1. That you are not displaying any of the Main symptoms:

The main symptoms of coronavirus are:

- high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature).
- new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual).
- loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

Most people with coronavirus have at least one of these symptoms.

2. That you have not returned to the UK in the last 14 days.

3. You have not been in contact with colleagues, family or friends who have been in contact with anyone who has been diagnosed with COVID-19.

4. To notify Sam Scott if you show any symptoms of the COVID virus within 7 days of treatment.

All clients are expected to follow increased levels of personal hygiene:

- Wash your hands upon arrival and departure
- Where possible carry and use hand sanitiser
- Avoid shaking hands and physical contact

By ticking this box you have agreed to have read and understood the above
